In the Matter of  
Richard Rivera  
Respondent

Civil Citation No. 74557  
7216 Stratton Way

FINDINGS OF FACT AND CONCLUSIONS OF LAW  
FINAL ORDER OF THE CODE ENFORCEMENT HEARING OFFICER

This matter came before the Baltimore County Code Enforcement Hearing Officer on April 14, 2010, for a Hearing on a citation for violations of the Baltimore County Code (BCC) section 13-4-201 (b)(d), failure to store waste in rodent resistant watertight containers with tight fitting lids on residential property zoned DR 10.5 known as 7216 Stratton Way, 21224.

On April 1, 2010, pursuant to § 3-6-205, Baltimore County Code, Inspector Robert Moorefield issued a Code Enforcement & Inspections Citation. The citation was sent to the Respondent by 1<sup>st</sup> class mail to the last known address listed in the Maryland State Tax Assessment files.

The citation proposed a civil penalty of \$100.00 (one hundred dollars).

The Respondent failed to request a Code Enforcement Hearing and/or failed to appear after requesting a Hearing. Baltimore County Code, § 3-6-205(d) provides that in case of failure to request a Code Enforcement Hearing or if the violator (Respondent) fails to appear after requesting a Hearing then the citation and the civil penalty, shall be the Final Order of the Code Official not subject to appeal.

After proper consideration of all the evidence presented, the Hearing Officer finds:

A. This Citation was issued without prior Correction Notice pursuant to the Department's adopted criteria, for activity that contributes to the propagation of rodents including the improper storage, placement and removal of garbage and rubbish. BCC Section 3-6-205.

B. Photographs in the file show open garbage cans overflowing with bagged garbage, without required tight lids. Photographs also show a significant quantity of dog feces on the ground. Re-inspection on April 12, 2010 found the violations not corrected, with an open can full of bagged garbage. This violates prohibitions against the accumulation of junk, trash and debris on residential property, and prohibitions against creation of possible harborage for rats. BCC Section 13-4-201, Section 13-7-309, Section 13-7-310. Failure to clean up dog feces violates prohibitions against accumulation of garbage on residential property, and creates food for rats. Respondents must clean up the dog feces on a daily basis. BCC Section 13-7-309, Section 13-7-310. Collected feces must be properly stored in the same manner as garbage, in waterproof cans with tight-fitting lids. BCC Section 13-4-201.

IT IS ORDERED by the Code Enforcement Hearing Officer that a civil penalty be imposed in the amount of \$100.00 (one hundred dollars).

IT IS FURTHER ORDERED that if not paid within thirty days of billing, the civil penalty, as authorized above, shall be imposed and placed as a lien upon the property.

IT IS FURTHER ORDERED that the County inspect the property to determine whether the violations have been corrected.

ORDERED this 20<sup>th</sup> day of April 2010
